

16th September 2021

Don't forget! You can send home learning work to
y5homelearning@exwickheights.devon.sch.uk

HOME LEARNING

Everyone should...

Complete this week's tasks on Spelling Shed and SPARX.

PE:

Thinking about our gymnastics learning, how many different types of travelling (movement) can you think of? You could make a sequence showing smooth transitions from one movement to another! Take a video, draw a picture or write about your sequence!

Maths:

Make your own place value grid poster. Can you think of some word problems for your friends to solve, where they could use the grid to help them?

Place Value Grid

B	MTH	TTH	TH	H	T	U	T	h
Billion	Hundred Thousand	Thousand	Thousands	Hundreds	Tens	Units	Tenths	Hundredths

Reading:

Read as often as you can!

Make sure that you record your reading in your Reading Journal. Read at least three times with an adult's signature for a Read to Succeed ticket to be in with the chance of winning a book!

Science:

Materials hunt! Make a tally of how many different types of materials you can find and list some examples for each...
