

30th September 2021

Don't forget! You can send home learning work to y5homelearning@exwickheights.devon.sch.uk

HOME LEARNING

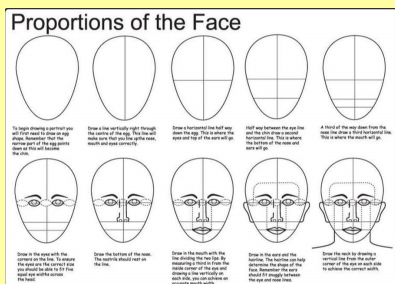

Maths:

Use positive and negative numbers to draw a thermometer. You could record the temperature of each day and write it on/next to your thermometer.

Art

Draw a portrait of someone (or self-portrait). Thinking about our learning in English around show, not tell, try and show how your subject is feeling. Are they happy/scared/sad? How could you show that through their facial features/expression? Remember to think about proportion!

Everyone should...

complete this week's tasks on Spelling Shed and SPARX.

RE:

Think about the Christian belief that God is loving. Could you create a mind-map/list to share the ways that you could be loving in your own life.

Reading:

Read as often as you can!

Make sure that you record your reading in your Reading Journal. You should try to read for at least 30 minutes a day, getting an adult's signature once a week for a chance of winning a book in the Read to Succeed draw!
