

Dear Parent/Carers,

Please find below some ideas for guiding your child's learning at home. Please encourage your child to choose and complete at least one task from options, with your support.

Remember, you can email photos or your observations of your child's Home Learning to [y1homelearning@exwickheights.devon.sch.uk](mailto:y1homelearning@exwickheights.devon.sch.uk) or if you prefer you can send in the home learning book.

\*\*\*\*\*

**Topics this week- Counting one more and one less and myself.**

- Draw, make a portrait of a member of your family. You could use food, building materials, paint, pencil crayons....get creative!
- Show that you understand how to find one more or one less than a given number to 10. Practice showing (objects), writing (numbers and words). For example:- **1 less** than **4** is **3** or **1 more** than **one** is **two**.
- Make a feelings chart to use at home. How many different feelings can you think of?

**PE kits**

Please ensure that your child's PE kit is named and stays in school all week. PE kits will be sent home at the end of each half term to be washed.

**Library books**

Thank you for all of the returned library books. These will be due in every **Tuesday** ready to collect a new book on **Wednesday**.

*Information about **reading books** will be given in the coming weeks.*

**Home Learning**

Set on a **Friday** and back in school the following **Thursday**.

**QUICK REMINDERS**

**Library books = Tuesday      Home learning = Thursday**

If you have any questions, please speak to your child's class teacher. Thank you!
