

Ideas for Home Learning: Week beginning 13th September 2021

Dear Parents/Carers,

Please find below some ideas for guiding your child's learning at home. Please encourage your child to **complete one or more** of these activities, **with your support**.

In addition, we would love to hear from you about your child's home learning. Please could you email these to us at:

fshomelearning@exwickheights.devon.sch.uk . Thank you.

This week we have been reading a range of different versions of the story 'Goldilocks and the three Bears'

- Perhaps you have one of these stories at home that you could read with someone in your family?
- You could also watch this version of the story by clicking on this link: <https://learnenglishkids.britishcouncil.org/short-stories/goldilocks-and-the-three-bears>

- In school, we have been exploring story characters. When you are looking at different books, can you talk about **who** is in the stories? Perhaps you could ask questions such as: *Who cooked the porridge? Who broke baby bears chair?*

In the story, the three Bears had different sized objects in their home; for example, large, medium and small sized chairs.

- At home, can you find any objects that are large, medium or small? Who do they belong to? Try putting objects in order of size? Perhaps you could draw these objects in size order.

In these early stages of the school year, the children can find dressing themselves a challenge.

- At home, could you practise taking school jumpers and coats on and off. Perhaps you could challenge yourself to see how quickly you can do it? You could show your child techniques to support them. For example, putting the sleeves the right way or putting the hood over your head before putting your coat on.

We have been learning about all the different ways we can try to stay safe from germs.

- Could you practise washing your hands, making sure that you use soap, water and the correct technique? You could follow this link to learn a song about how to wash your hands:

<https://video.link/w/hPk8c>

- With your adult, talk about all the different times we have to wash our hands. For example; before we eat, after we have been playing, after we have been to the toilet etc.
