# 4 HOME LEARNING

Don't forget! You can send home learning work to [y4homelearning@exwickheights.devon.sch.uk](mailto:y4homelearning@exwickheights.devon.sch.uk)

**RE/Art** This week we have been looking at symbols which are used to represent the Holy Trinity. Have a go at designing your own symbol at home which represents how the Father, Son and Holy Spirit are three persons in one God.

## Topic

We asked and the children have spoken! This week they would like an activity which relates to construction. To keep this on topic, we would like you to construct a traditional Roman structure (e.g. amphitheatre, aqueduct, villa, bath house...) You may choose to build this out of any material and we would like to see that you have completed some research so that the structure is as traditional as possible. You are invited to bring this into school but please make sure you can carry it easily and it is not created using anything too valuable or precious. Good luck and have fun!

## Maths

### What is the number?

- The number has four digits.
- The hundreds digit is the number of sides of a pentagon.
- The thousands digit is the same as  $20 \div 5$ .
- The tens digit is more than 0 but less than 2.
- The ones digit is the same as  $20 - 17$ .

Can you make up your own riddles and get an adult to solve them?

## PSHE

This week we have been considering what it means to be a school citizen and the people in our school community who help us. Can you draw yourself in the middle of a page and around the outside write/draw the people who help you in a community you belong to outside of school?

Spellings	1 <sup>st</sup> Attempt	2 <sup>nd</sup> Attempt	3 <sup>rd</sup> Attempt
