

# Home Learning

## Week Beginning 18<sup>th</sup> October 2021

Dear Parents/Carers,

We would love to hear from you about your child's learning at home; to share this, please use the following email address: [fshomelearning@exwickheights.devon.sch.uk](mailto:fshomelearning@exwickheights.devon.sch.uk). Thank you.

### Personal, social and emotional development (PSED)

**We will be talking about what being responsible means.**

- We have talked about the responsibilities we have when we are at nursery. Our responsibilities include; listening to each other and the adults, tidying up the toys, having kind hands and walking inside. Do you have responsibilities at home?
- Give your child a toy or a small object that they have to be responsible for and look after for half an hour (or perhaps even longer if they are able to). Did you remember to keep it with you? See how they get on after the time is up. Was it easy or hard to be responsible for something? Why?

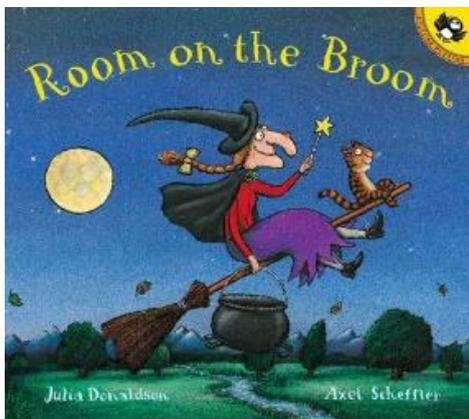

### Communication & Language (C&L)

**Our story this week is called 'Room on the Broom'; it is about a witch, her cat, some helpful friends and a greedy dragon!**

- If you have this storybook at home, then you could share it with someone in your family. Alternatively, with the support of your grown-up, you could use the internet to watch and listen to a version of this story. Here is a version you can watch:

<https://video.link/w/4uUCc>

- There is also a version you can enjoy on BBC iPlayer: <https://www.bbc.co.uk/iplayer/episode/p0102qfj/room-on-the-broom>

- Talk to someone in your family about the story.
- What happened at the beginning, middle and end of the story?

- In school, we have been exploring story characters. When you are looking at different books, can you talk about **who** is in the stories? Perhaps you could ask questions such as: **Who** found the witch's bow? **Who**

found the witch's wand? **Who** made a scary and loud roar?

**Physical Development (PD): gross motor movement**

Have a go at this 'Room on the Broom' yoga story for children. You will need a bit of space to stretch out and complete all the moves!

<https://video.link/w/U6UCc>

**Physical Development (PD): fine motor movement**

Many of the other stories we have shared this week focus on making potions and concoctions!

- At home, could you make an unusual edible dish? What interesting ingredients could you use? For example, could you add courgette or beetroot to a chocolate cake? How about some of the spooky ideas below?
- What did your family think of your creations? Perhaps you could send in a photo of you tasting your creation!
