

Dear Parent/Carers,

Please find below some ideas for guiding your child's learning at home. Please encourage your child to choose and complete at least one task from options, with your support.

Remember, you can email photos or your observations of your child's Home Learning to y1homelearning@exwickheights.devon.sch.uk or if you prefer you can send in the home learning book.

Topics this week-

Weather, The parable of the "lost son" and celebrating differences.

- Draw some weather symbols, role play as a weather forecaster or create a piece of weather artwork.
- Are you like your family? Do you have similarities and differences? Do you all like the same food/sport/colour? Make a similarities and differences chart.
- Maths- Create an 8 fact family for a subtraction fact.

$$8 - 5 = 3 \quad 8 - 3 = 5 \quad 3 + 5 = 8 \quad 5 + 3 = 8 \quad 8 = 5 + 3 \quad 8 = 3 + 5$$

$$3 = 8 - 5 \quad 5 = 8 - 3$$

QUICK REMINDERS

Library books = Tuesday Home learning = Thursday

Reading journals = Monday Reading books = Monday and Thursday

If you have any questions, please speak to your child's class teacher. Thank you!
