Keep practising your times tables! This will really help you when we come back to school after the Christmas holiday. If you get an answer incorrect, make sure you have a good look at the correct answer. Try writing those trickier ones down!

*Remember to read at home regularly (at least 10 minutes a day) and hand in reading diaries on **MONDAYS** to be checked- you could get a "Read to Succeed" ticket and win a book!*

Also ,you could try one or more of the activities below:

1) *In English, we have been reading "The Magic Paintbrush" by Julia Donaldson. You can listen to the story again here:*

You can also read again by downloading the story (attached below).

Now try on of these activities: making a list of all the rhyming words in the story, trying to copy the front cover or one of your favourite illustrations in the book. Why not make a list of other books written by this famous author. You could even make a list of objects that you would paint if you had a magic paintbrush.

Be creative!

2) *In maths, we have started learning about multiplication and division. Check out these online games and videos. Why not impress us by writing out some of your x tables or creating a x tables poster. Keep practising!*
