# Year 4 HOME LEARNING

Don't forget! You can send home learning work to  
[y4homelearning@exwickheights.devon.sch.uk](mailto:y4homelearning@exwickheights.devon.sch.uk)

## Art - Queen's Jubilee Portrait

To celebrate the Queen's Jubilee, the school have invited all children, staff and parents/carers to create a portrait of the Queen. You could paint, draw, collage or digitally create a portrait, it's up to you! All entries will be collected together to create a gallery on the school blog. You can hand it in on paper or via the home learning email. Get creative!

## Science

We have been learning about the different classifications of vertebrates and invertebrates. Can you use the internet or some books to find some interesting animals whose classification group surprises you? Do they have some characteristics that could fit into more than one group? You can then use the information about them to create a fact file.

## Maths

Use the times table sheet overleaf and time yourself to see how quickly you can correctly answer all of the times tables. You could even try doing it more than once to see if you can beat your time!

Spellings	1st Attempt	2nd Attempt	3rd Attempt	4th Attempt	5th Attempt
gently					
separate					
affect					
unexpectedly					
potatoes					
circus					
insoluble					
microphone					
superhuman					
bicentennial
