

Ideas for Year 1 Home Learning

Thursday 16^h June 2022

Dear Parent/Carers,

Please find below some ideas for guiding your child's learning at home. Please encourage your child to choose and complete at least one task from options, with your support.

Remember, you can email photos or your observations of your child's Home Learning to y1homelearning@exwickheights.devon.sch.uk or if you prefer you can send in the home learning book.

Topics this week- Map symbols, Naming parts of a flowering plant and the artist Kandinsky.

- Use a map to identify different map symbols. What is the symbol for a zoo, café or museum?
- Draw your own map symbols for an imaginary land- candycane slide, robot café etc
- Draw and label the four parts of a flower- stem, roots, leaves and flower. Or go outside and label a plant.
- Practice your colour mixing. How many primary and secondary colours can you make.
- Can you create a piece of shape artwork? Draw around or draw shapes and fill them in with bright colours. Which pictures can you make?

QUICK REMINDERS

Library books = Tuesday Home learning = Thursday

Reading journals = Monday Reading books = Monday and Thursday

Sportsday checklist

- Named water bottle
- Sunhat
- Suncream (applied before school)
- Allergy medicine taken before school and inhalers in school (if needed).

If you have any questions, please speak to your child's class teacher. Thank you!
