

Over the next few weeks, the Phonics practise slides are focussing on tricky words.

We call some words 'tricky' as they are difficult to sound out.

Below are two links to tricky word songs that the children have heard at school.

<https://video.link/w/0bwwd>

<https://video.link/w/2bwwd>

Then, on each slide is a tricky word. Support your child to read the word, cover it up, write it and then show it again to check how they spelt it.

You could then choose one or two tricky words and write a sentence with the word in it.
