

Dear Parent/Carers,

Please find below some ideas for guiding your child’s learning at home. Please encourage your child to choose and complete at least one task from options, with your support.

Remember, you can email photos or your observations of your child’s Home Learning to y1homelearning@exwickheights.devon.sch.uk or if you prefer you can send in the home learning book.

Topics this week- English landmarks, line drawing, communities and internet safety.

- Make an internet safety poster or talk to you grown up about how to stay safe on the internet.
- How many English landmarks can you name? Can you make/draw/write facts about...the angel of the North, Stonehenge or The Eden project.
- How many Exeter landmarks can you find? Go on a walk and take photos of special buildings in Exeter. What makes them a landmark?
- In art, we have been practising drawing using different lines. We have been looking at the art work of Bridget Riley. Can you create your own art piece inspired by her work?

PE kits

Please ensure that your child’s PE kit is named and stays in school all week. PE kits will be sent home at the end of each half term to be washed.

PE kit should include:- white top, black shorts/leggings/jogging bottoms/outside trainers or plimsols. As the weather gets cooler the children can also wear a dark coloured jumper or hoodie for outdoor PE.

Library books

We are hoping that library books will go out next Wednesday.

These need to be returned on **Tuesday** ready for a new book to be given on **Wednesday**.

Reading journal should be filled in and returned on a Monday. They can be used to record reading books as well as books read at home.

Home Learning

Set on a **Thursday** and back in school the following **Thursday**.

QUICK REMINDERS

Library books = Tuesday Home learning = Thursday

Please ensure that water bottles are filled with water only and that the children are able to independently able to drink from them.

If you have any questions, please speak to your child's class teacher. Thank you!
