**Also ,you could try one or more of the activities below:**

1) This week in PSHE we have been setting goals and thinking about our New Year Resolutions.

Can you make a list of your resolutions? Maybe interview members of your family and find out what positive changes they want to make in 2023.

2) In English, we will be writing our own biographies. You could look at the 2 biographies of famous scientists here:

<https://www.bbc.co.uk/bitesize/topics/zfkk7ty/articles/zbj3sk7>.

There are videos to watch about Marie Curie and Professor Stephen Hawking and then questions to answer. Maybe you could find out some more facts about one of these two amazing people and create your own fact file?
