# HOME LEARNING

Don't forget! You can send home learning work to  
y5homelearning@exwickheights.devon.sch.uk

## Science:

This week marks Sir Isaac Newton's 380th birthday! As one of the most influential physicists in history (as well as a leading figure in our Forces topic), we would like you to conduct some research into Newton's life. What interesting facts will you discover? You can present this as a fact file, online presentation or poster.

## P.E:

Get your brains ticking and bodies rocking! Create your own circuit training sequence. Time yourself completing the circuit and then next time you have a go, try and improve your time to achieve a new personal best. Send us in a video of you in action or record your times in your

Everyone should...

Complete this week's tasks on Spelling Shed and SPARX.

## Reading:

Make sure that you record your reading in your Reading Journal every day.

Read each day for at least half an

hour, with an adult's signature once a week for a Read to Succeed ticket– you'll be in with a chance of winning a book!

## English:

Poetry– Calling all poetry fans! Learn and perform your favourite poem to your family and friends. If you are able, why not record your performance and send it in? We would love to see you in action.
