Fireworks Fun!

Sunday November 5th is Bonfire Night! You could:

- Create some fireworks art
- Talk with your family about the importance of firework safety
- Tell us all about Guy Fawkes and the Gunpowder Plot. You could make a PowerPoint, a poster or a mini book!
- Use expanded noun phrases to describe the fireworks (*loud, blue rocket...*)

Maths - keep doing your SPARX!

Rehearse your number bonds to 10, 20 and 100 if you can! Ask a family member to fire you with quick-fire questions or have a go at playing these games:

(select 10 or 20 as the target numbers and find pairs)

(select 10 or 20 as the target numbers and shoot the pair! This is great fun!)
