

Dear Parent/Carers,

Please find below some ideas for guiding your children’s learning at home. Choose one or more task to complete. Remember, you can email photographs or observations of your child’s Home Learning to:

[y2homelearning@exwickheights.devon.sch.uk](mailto:y2homelearning@exwickheights.devon.sch.uk)

**Geography**

We have been learning about the difference between human and physical geographical features this week. Human features are things made by humans like roads, towns and bridges. Physical features like mountains, hills, cliffs, the sea and fields have been created by nature.

Get out and about for a walk or a bike / scooter ride and see how many human and physical geographical features you can spot. Take photos and / or draw and label them in your homework book.

river

bridge

**Maths**

Play Hit the Button to help rehearse your number bonds to 10, 20 or 100

<https://www.topmarks.co.uk/maths-games/hit-the-button>

**Write down 10 more and 10 less for each**

of these numbers:

**23 34 56 61 72 12 58 45 89 44 75**

You could throw a dice twice to generate some different numbers!

**Challenge:** add and take away a multiple of 10 (20 , 30, 40, 50, 60 etc) from each of the numbers above.

**Science**

What can you find out about animals and their young?

Make a fact file about an animal and their baby.

You could include pictures, diagrams and photographs.

Write it out or use the computer to make a PowerPoint or a poster.

**ANIMALS & THEIR BABIES**

**Reminders**

Library Books come home on a FRIDAY and are to be returned on a Friday (or before!)

Home Learning is due in on a THURSDAY.

Reading Books can be changed on **any day**. Reading diaries on a MONDAY please!
