Mathematics: Keep practising your times tables! This week, focus on the 8 times tables! If you get an answer incorrect, make sure you have a good look at the correct answer. Here are some games to help you: <https://www.topmarks.co.uk/times-tables/coconut-multiples> and <https://www.topmarks.co.uk/maths-games/hit-the-button>.

*Remember to read at home regularly (at least 10 minutes a day) and hand in reading diaries on Mondays to be checked- you could get a "Read to Succeed" ticket and win a book!*

You could also try these activities too:

- 1) In art, we have used our colour mixing skills to create cherry blossom still life pictures. Can you create a still life of some flowers from your home? You can either draw or use paints.

Adjective is a word that describes a noun or a pronoun

Elegant dress

Blue Bird

Healthiest snacks

- 1) In English, we have been exploring how to use adjectives to make our writing more interesting. Have a go at these games:

You could play this adjective game with a friend or members of your family: Choose an animal but don't tell anyone what it is. Use different

adjectives to describe the animal and see if the other people can guess. For example, "it has a long, grey trunk and large ears" It's an elephant!

**HAVE A GREAT WEEKEND EVERYONE!**
