Year 3 Thursday 18th January 2024

We are learning new spelling patterns every week.

The children will bring home spelling sheets to help them practise their spellings using the 'Look, Say, Cover, Write, Check' method.

The children will be tested on these words next Friday

Don't forget to practise on SPELLING SHED TOO!

Don't forget to go on Sparx and Sumdog. Keep practising your times tables! If you get an answer incorrect, make sure you have a good look at the correct answer. Try writing the trickier ones down to remember them.

Remember to read at home regularly (at least 10 minutes a day) and hand in reading diaries on Mondays to be checked- you could get a "Read to Succeed" ticket and win a book!

You could also try these activities too:

- 1) In PSHE, we are learning about 'Dreams and Goals'. We learnt the words: *perseverance, challenges, success, obstacles, dreams and goals*. Can you talk about what these words mean? Choose a few of these words and write them in a sentence saying something about yourself. For example, *I feel success when I or I show perseverance when*

Perhaps you could ask members of your family what their dreams and goals are for 2024.

- 2) In Science, we are learning about plants. We have been looking at what plants need in order to be able to grow and be healthy. Why not go on a plant hunt around the garden, park or anywhere with plants! Sketch the different plants you see and label them. Are they all the same? How are they different? Do they all look healthy? If not, why do you think this might be? If you are able to, try carefully to lift the plant out of the soil to look at the roots. Maybe you could try to create an a-z of plants, flowers or trees

Reminders: please bring your reading books and journals in every day

HAVE A GREAT WEEKEND EVERYONE!
