## French

Bonjour! We have been learning how to talk  
about school in French. This week, we would  
like you to imagine what it's like to be a  
child living in France by choosing one of  
these activities.

Watch an episode  
of 'Muzzy', the  
BBC's French  
children's cartoon.

Taste some French  
cheese!

Listen to a song  
in French.

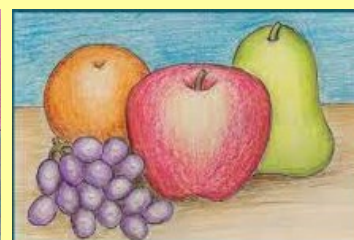

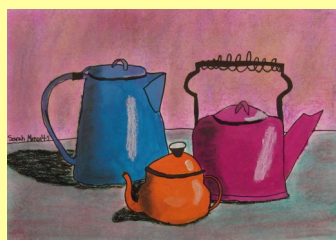

Speak some French  
with a family member.  
What can you teach them?

## Art

In art, we have been developing our painting  
skills and are beginning to create our still  
life pictures, ready to paint soon.

At home, have a go at some still life artwork  
using a different medium, such as coloured  
pencils, felt pens or pastels.

First, sketch the outlines carefully the way  
we have practised at school. Then add your  
colour, taking care to look closely at the  
different tones and shades. We can't wait  
to see your masterpiece!

## Maths

We have nearly finished our multiplication and division topic here at  
school. In our maths lessons, we are still using times tables  
every day to help us solve problems.

Create a times table poster to display in your  
classroom to help you and your friends  
remember all the times tables.

You could also practise your knowledge of multiples using this game:  
<https://www.topmarks.co.uk/times-tables/coconut-multiples>
