D.T

We hope you have a very happy Easter break with your families. We'd love to see you getting creative this holiday!

You could make Easter arts and crafts such as paper bunny chains or hatching eggs. With permission from an adult, you could get cooking and create some yummy Easter nest cakes!

Writing

We would love you to document your Easter break by writing an Easter diary. You can practise your writing skills by writing all about what you got up to. Can you impress your teacher by using fronted adverbials?

Year 4 Scavenger Hunt

On the back of this sheet, you will find a scavenger hunt challenge! Can you find each object? Tape or stick the objects into each box. Good luck!

If you find all of the objects, you will win 3 dojos from your teacher!

Maths

It's coming up to the summer term now, which means the national multiplication check for Year 4 pupils will soon be upon us. Well done for all your hard work learning your times tables so far. Please keep this up the best you can over the Easter break so you're ready for the test at the start of June.

Here are some more ideas on how to learn them:
