

## Ideas for Year 2 Home Learning - Easter Holidays

Here are some ideas to keep you busy over the Easter holidays! It is ESSENTIAL that children continue to read daily. and complete as many AR quizzes as they possibly can. Many thanks for your support with this. Email your photos to: [y2homelearning@exwickheights.devon.sch.uk](mailto:y2homelearning@exwickheights.devon.sch.uk) We will look forward to sharing all the lovely things that you have been up to.

<p>Enjoy reading some books! You could visit the library or ask for some new ones for Easter.</p> 	<p>We have been learning about the Easter Story in RE. Tell your family all about it! What can you remember about Palm Sunday, the Last Supper, Good Friday and Easter Sunday morning?</p> 	<p>Set up an Easter Egg Hunt for a member of your family (you could colour Easter eggs to hide if you want something different from chocolate!) Can you write a clue for each one that is hidden?</p>
<p>Make a reading den and settle down in it with your favourite book.</p> 	<p>Use mini marshmallows and cocktail sticks to make 3D shapes! Can you label them? What are their names? How many edges / vertices / faces do they have?</p> 	<p>Keep counting in 2s, 5s and 10s. If you are already expert at this, extend to 3s, and 4s, then 6s, 7s, 8s and 9s!</p>
<p>Make some Easter decorations or have a go at some Easter or springtime crafts.</p>	<p>Keep practising your skills using SPARX, Sumdog and Spelling Shed</p>   	<p>Get Active!! Go out for a walk, cycle or scooter ride every day.</p> 
<p>Make a set of dinosaur trumps cards – or a ‘guess the dinosaur’ quiz (as long as you include the answers as well!) Who was the fiercest? Who had the biggest teeth? Who was the tallest? Who could run the fastest? Choose something different if you don’t like dinosaurs!</p> 	<p>Ask your adult to read a chapter book to you – a little bit every day. Which books did they enjoy when they were younger? Perhaps you could share one of those together. Books by Roald Dahl, Enid Blyton or Jeff Brown (<i>Flat Stanley</i>) are a good place to start... or have a look here: <a href="https://schoolreadinglist.co.uk/reading-lists-for-ks1-school-pupils/suggested-reading-list-year-2-pupils-ks1-age-6-7/">https://schoolreadinglist.co.uk/reading-lists-for-ks1-school-pupils/suggested-reading-list-year-2-pupils-ks1-age-6-7/</a></p>	<p>If you have a bike, try to learn to ride it without stabilisers. If you can already do this, try to ride a little further every time you go out (<i>as long as your adult can keep up!!</i>). Can you make it all the way to the top of a steep hill?!</p>
<p>Enjoy some Easter baking! Help your adult to measure out your ingredients. Can you spot any halves in your recipes (e.g 100g of flour and 50g of sugar...)</p>	<p>Practise your fine motor skills by helping your adult to peel all the vegetables you will need for a lovely roast dinner.</p>  	<p>Make and decorate mini pizzas, dividing them into halves, quarters and thirds.</p> 
<p>Plant some seeds! Watch them over the two weeks you are at home. What changes can you see?</p> 	<p>Make an Easter garden. How many spring flowers can you find to put in it?</p> 	<p>Make sure that you are confident with reading and spelling all the Year 2 common exception words.</p>
