Year 3 Thursday 28th March 2024

We are learning new spelling patterns every week.

The children will bring home spelling sheets to help them practise their spellings using the 'Look, Say, Cover, Write, Check' method.

The children will be tested on these words next Friday

Don't forget to practise on SPELLING SHED TOO!

Remember to read at home regularly (at least 10 minutes a day) and hand in reading diaries on Mondays to be checked- you could get a "Read to Succeed" ticket and win a book!

You could also try these activities too:

1) Our theme for PSHE this term is 'Healthy Me' We talked about how it is important to keep our bodies healthy and how this can help our brains when learning. We also explored what happens to our bodies when we are exercising. Over the Easter holidays, set yourself a fitness challenge by exercising every day. You can exercise for as long as you want each time. Even ten minutes makes a difference! Think about what happens to your body when you do the activities. Do some activities make your body work harder? Why do you think this is? Here are some links with some exercise ideas: <https://www.nuffieldhealth.com/article/at-home-workouts-for-kids> , <http://thegoodmama.org/easter-egg-workout-can-kids/> , <https://www.nhs.uk/healthier-families/activities/>

2) Over Easter, could you create your own Easter egg treasure hunt? You could hide anything you want: toy eggs, real eggs or anything else you can find! Try put some sequencing words, such as first, then etc, and adjectives in your clues. For example, 'first, look under the fluffy, beige pillow'
