

# Year 4 HOME LEARNING

Thursday  
25th April

Don't forget! You can send home learning work to  
[y4homelearning@exwickheights.devon.sch.uk](mailto:y4homelearning@exwickheights.devon.sch.uk)

## Spellings

These will be tested on  
Friday 3rd May.

circle, century, centaur, circus,  
princess, voice, medicine,  
celebrate, celery, pencil

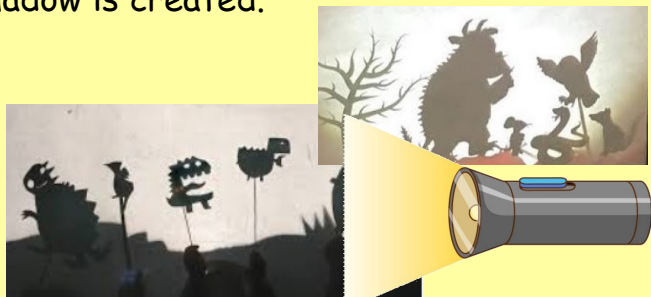

You can practise on **Spelling Shed**.

## Reading

Read for at least ten minutes a day, recording this in your journal and handing it in on **Mondays**. Please bring your book to school every day. Don't forget, you can complete your Accelerated Reader quizzes at home. ## Science

We have been learning about light and shadows. A shadow is the absence of light. Why not explore this further by creating your own shadow puppets! You could create your own characters, or create Theseus and the Minotaur to give a performance at home. Explain in your home learning book how a shadow is created.

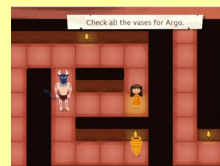

## History and Writing

To prepare for next week, we would like you to design your own hero or heroine and your own mythical beast for your Greek myth writing. We'd love to see your designs labelled with descriptive expanded noun phrases!

Check out this fun online game too!

## Maths How many different ways can you add to make 100?

Practising this key skill will really help you in your upcoming Maths lessons next week!

Spicy:  $\underline{\quad} + 70 = 100$      $60 + \underline{\quad} = 100$      $20 + 80 = \underline{\quad}$      $10 + \underline{\quad} = 100$

Hot:  $75 + \underline{\quad} = 100$      $50 + \underline{\quad} = 100$      $25 + 25 + \underline{\quad} = 100$      $85 + \underline{\quad} = 100$

Extra hot:  $35 + \underline{\quad} = 100$      $15 + \underline{\quad} + 65 = 100$      $42 + \underline{\quad} = 100$      $36 + 20 + \underline{\quad} = 100$

Super hot:  $17 + \underline{\quad} + 34 = 100$      $32 + 41 + \underline{\quad} = 100$      $\underline{\quad} + 11 + 61 = 100$

Diabolical:  $13 + 41 + 26 + \underline{\quad} = 100$      $27 + 29 + \underline{\quad} = 100$      $17 + 19 + 53 + \underline{\quad} = 100$
