

Remember! You can send in photos of activities done for Home Learning to our email address: y3homelearning@exwickheights.devon.sch.uk

PLEASE ENSURE HOME LEARNING BOOKS ARE HANDED IN ON THURSDAYS. SIGN IF YOU HAVE CHOSEN A PRACTICAL ACTIVITY NOT SHOWN IN THE BOOK.

Year 3 Thursday 18th April 2024

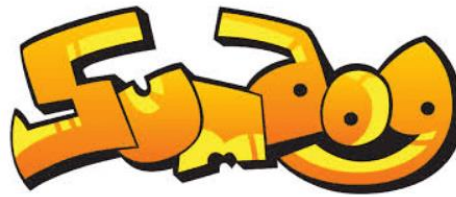

We are learning new spelling patterns every week.

The children will bring home spelling sheets to help them practise their spellings using the 'Look, Say, Cover, Write, Check' method.

The children will be tested on these words next Friday

Don't forget to practise on SPELLING SHED TOO!

~~Sepling~~
~~Spelng~~
~~Spleing~~
~~Speling~~
Spelling

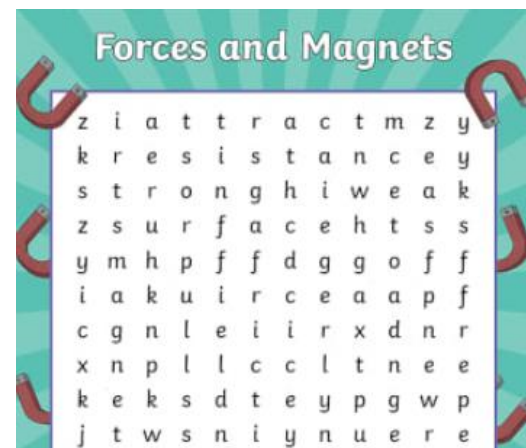

Remember to read at home regularly (at least 10 minutes a day) and hand in reading diaries on Mondays to be checked- you could get a "Read to Succeed" ticket and win a book!

You could also try these activities too:

1) This term we are learning about forces and magnets in Science. Have a go at creating your own wordsearch using the key vocabulary from our topic (scroll down to the next page to see the topic words.)

Tip: write in the words you want to use first then add in random letters around the key words. You could then write questions where the answer in one of the key words in your wordsearch. For example: 'you use this contact force to move something away from you'
Answer: 'push' Try see if someone in your family or a friend can answer the questions and find the words.

2) On the 23rd of April, it was St George's Day. What do you already know about St George? Could you use the library or the internet to find out more? Here is a link to get you started: <https://planbee.com/blogs/news/st-georges-day-facts-for-kids> Now, use the information you have found to create a poster. Remember to include the St George flag and information about the famous fight with the dragon.
